- Open-source libraries and tools assisting vendors in rapid adoption of IPDR standards.
-

IPDR Organization in a Nutshell

Organizational Structure

IPDR Organization is incorporated in the United States of America as a Virginia Not For Profit Corporation and is funded by dues from members. Membership is open to any individual, corporation, NGO, or government entity that wishes to contribute to the goals of the organization. Membership is divided into three categories; annual fees range from \$4,500 to \$25,000.

As of 2002, IPDR Organization has 10 Charter Members, 16 Supporting Members, and 7 Associate Members. These 33 companies comprise the majority of the global mediation, clearinghouse, and billing markets, as well as service providers who use their products. IPDR represents organizations from North
